Introduction

Youth+ Flexible Learning Centre’s offer an inclusive specialist secondary school setting for young people who are disengaged or are at imminent risk of disengaging from mainstream education. Where a young person has been identified as being particularly vulnerable, extra measures will be taken as required in order to support their positive engagement in the school community.

Purpose

The purpose of this policy is to describe the parameters in which complaints (including grievances) and feedback from young people and community members are managed within a Youth+ South East Network Flexible Learning Centre. This policy complies with all applicable State and Commonwealth laws.

Policy

Youth+ respects the right of all members of the community to have access to a process, which will give full and fair consideration to any complaint grievance that may arise. All feedback and complaints and subsequent follow up actions will be recorded in a school complaints register.

The process described in this policy aims to address in a timely and equitable manner any complaint raised to ensure that the rules of natural justice are followed.

3. Using Feedback to Improve Quality and Service Provision

Youth+ is dedicated to providing high quality education and support to the young people enrolled in our Flexible Learning Centres. We consider an effective feedback handling process to be an essential part of what we do and to provide an insight into services that are not working as well as they might.

We view all the feedback we receive as an opportunity to develop and improve the quality of the education and support to young people and their families/carers. Every item of feedback we receive is read by one of our staff members, and where appropriate, fed into our continuous improvement processes.

Youth+ reviews the feedback and complaints we receive as part of monitoring and improving our services. Summary information from our feedback and complaints systems is analysed and used in our service design and improvement activities to continually improve the quality and effectiveness of our services.

We may use feedback from stakeholders in our publications (e.g. Annual Report), newsletters, marketing material, and for training and quality assurance purposes. This is always done in a way that protects the identity of the individual, or if this is not possible or appropriate, with their express permission.

4. Responding to Feedback, including Complaints

Youth+ will investigate and respond to all complaints. Youth+ also acknowledges individuals providing other types of feedback e.g. compliments and suggestions. Youth+ will treat any individual making a complaint (or providing any form of feedback) with dignity, respect and confidentiality. Youth+ will not respond to feedback that is provided in an offensive, harassing or malicious manner.

5. Receiving Feedback and Complaints

Feedback and complaints can be received in a number of ways. An individual may:

- Completing a feedback form available at all Flexible Learning Centres;
- Write a letter; and
- Verbally tell a member of staff.

Youth+ may be limited in what action it can take in responding to, investigating and addressing anonymous feedback.

6. Providing Assistance

- Guiding the individual to the Feedback Form;
- Recording an individual's feedback or complaint.

An individual providing feedback or making a complaint may appoint a third party to act on their behalf. Youth+ will respond to the third party, subject to the provision of appropriate written authority.

7. Managing Feedback and Complaints

All complaints received by a Flexible Learning Centre will be investigated by either the Head of Campus or Head of School. If the complaint received, concerns a Head of Campus, any investigation or follow up be conducted by the Network Principal.

In receiving a complaint, Youth+ will:

- Acknowledge receipt of the complaint within five (5) working days where possible, and if a response has been requested;

If the matter cannot be resolved within this time, Youth+ will advise the individual of the reasons for the delay and provide a revised timeframe;
