## Complaints Handling Guide

Xavier Flexi Schools Network welcomes feedback from all members of the Centre community and takes all complaints or concerns that may be raised seriously. This Complaints Handling Guide is designed to assist you to understand our complaints handling process.

Xavier Flexi Schools Network comprises of the following four schools, **The Centre Education Programme, Inala Flexible Learning Centre, Ipswich Flexible Learning Centre** and **Townsville Flexible Learning Centre**.

### What is a Complaint?

A complaint is an expression of dissatisfaction made to any of the above schools, related to our services or operations, or the complaints handling process itself, where a response or resolution is explicitly or implicitly expected. Complaints could be lodged by students, parents/carers or community members.

### Xavier Flexi Schools Commitment

The Centre Education Programme FLC is committed to handling complaints effectively and efficiently. To manage complaints effectively, we have established a Complaints Handling Program in line with both the international complaints handling standard (ISO 10002:2014 Quality management – Customer satisfaction – Guidelines for complaints handling in organizations), and the Australian/New Zealand complaints handling standard (AS/NZS 10002:2014 Guidelines for complaint management in organizations).

Our program includes the establishment of an online complaints management system which allows us to effectively capture, manage and report on complaints. Regular analysis of complaints received and the implementation of rectification action, where deficiencies are identified, are key to the Centre's commitment. Our internal complaints handling process are available at no cost.

### Informal Complaints Resolution

The vast majority of issues causing concern in schools can be handled quickly and in an informal manner. In most cases these issues can be resolved through informal discussions with appropriate staff members. Even if an issue is able to be resolved informally all staff are required to log issues through our complaints management system, so we are able to identify any systemic issues arising and take appropriate rectification action.

### How Do I Make a Formal Complaint?

## Complaints Handling Guide

### Our Internal Complaints Handling Process

1. All formal complaints are logged through our online complaints management system where they are screened by one of our Complaints Officers, the Complaints Manager, or, in the case of a complaint directly related to conduct by the Principal, Deputy Principal or Member of the School Board, the EREA Regional Director.
2. All valid complaints will be acknowledged in writing as soon as practicable, and in any event within 10 business days. They will be allocated a status, priority and target resolution date. It is our policy, where possible, to commence an initial investigation and make a preliminary determination within 10 business days of acknowledging the complaint.
3. The Complaints Officer shall conduct an investigation into the issues raised, following principles of procedural fairness, and make a determination.
4. Following the determination, if appropriate, the Complaints Officer shall formulate a resolution and provide a written response to the complainant. The matter will be closed if this response is accepted.
5. If the initial response is not acceptable the matter will be reviewed internally by the Principal or the Principal's delegate, who may seek additional information or submissions from the relevant parties. The Principal or their delegate seek to resolve all disputes within 20 business days of the acknowledgement of the complaint. The matter will be closed if the response of the Principal, or their delegate, is accepted. Where appropriate, the matter may be escalated to the EREA Regional Director.
6. All complaints received will be entered into our Complaints Register and, where appropriate, a corrective action request will be made to address any underlying processes which the complaints investigation revealed may require improvement.
7. If the matter remains unresolved, the complainant may pursue external resolution alternatives.

### Confidentiality

Confidentiality applies with respect to both information relating to the person making the complaint, and, if relevant to a person against whom a complaint is made. The Centre is committed to maintaining the confidentiality of information throughout the complaints process.

Personally-identifiable information about a complainant will only be made available for the purpose of addressing the complaint and (unless the complainant consents) will be actively protected from disclosure.
